

Tax Deductibility of Donations

Golang Education Outreach is a registered Public Benefit Organization under Section 18A. Below is information about the tax deductibility of donations for SA donors.

General

Donations made to approved Sections 18A PBO's may be deducted from the taxable income of the donating taxpayer. Previously this benefit was limited to donations made to secondary and tertiary educational institutions.

Deduction of Donations

A taxpayer making a bona fide donation in cash or in kind to a Section 18A approved PBO is entitled to a deduction from his taxable income if the donation is supported by the necessary receipt issued by the PBO; and does not exceed the greater of five percent of the taxable income of the taxpayer, calculated before allowing any deduction under Section 18A or any deduction for medical and dental expenses; or R1000.

Receipt to be issued

A taxpayer will only be allowed to claim a deduction for a donation to a Section 18A approved organization if it is supported by a receipt issued by the organization.

Golang Education Outreach only issue receipts on request. If you wish to have a receipt for your sponsorship please contact Margaret le Roux on margaret@golangoutreach.co.za or 082 907 7935.
