Youth Camp at Kareekrans

VISION AND MISSION:

Our founder’s vision in 2002 was to uplift and enhance the educational journeys of some of the children living in the Zandspruit Informal Settlement, in Honeydew, Gauteng; and to this end we provided employment and ongoing training to 15 Educators, who are in our employ.

Our mission was to cater for the physical, mental, educational, social, emotional and spiritual needs of the children. As involvement in children’s lives begins at an early age, our education centres, both Preschool and Aftercare, offer the opportunity of developing all the aspects of a child’s life, from the age of three upwards, and as far as possible, we try to equip and encourage them to a better life. Furthermore, we also walk the journey with some of those who have graduated from the Aftercare Centre, who attend our Youth Centre (Impumelelo Phambili).

We now provide for over 300 children – 60 preschoolers, 200 in Aftercare and 50 in the Youth Program.

However, we know that without the support of individuals and the greater community of donors, sponsors and volunteers, we would not be able to continue this work.

Therefore, to all those who provide generous support, be it financial or otherwise, we wish to express our utmost gratitude. Without you, we would not be where we are now, some 15 years later, making an ongoing difference in these children’s lives!

God Bless you!
